### [Larrikin for Men](#)

**The Australian Larrikin:** Strong, bold, bluntly honest with a compelling and endearing sense of mischief and fun. The Larrikin encapsulates the unique Australian identity. **It is the spirit of the ANZAC, the essence of free culture!**

From Albany, the last port-of call for Australian Anzacs and the birthplace of the dawn service, Mount Romance releases the **Larrikin** range of products.

Inspired by the legend of the ANZAC, Larrikin range is based on the popular Larrikin eau de Toilette and includes Deodorant, Anti-Perspirant, Shaving Gel and After Shave Balm for men.

Larrikin products emit a woody leathery fragrance where Pure Australian Sandalwood Oil is combined with extracted essence of pine needles taken from the pine tree at Mt Clarence, said to be a direct descendent from the last tree standing at Gallipoli - **The Lone Pine**.

Larrikin products emit a woody leathery fragrance and are hauntingly packaged to salute Australian heroes everywhere, but also to reflect the Larrikin in all of us today. Larrikin was released on ANZAC Day 2005, and is available from all good Australian retailers or by visiting our Home Shopping website.
