Bath Salts

300g

PET Bottle

Screw Cap

Sodium Chloride crystals are impregnated with Australian sandalwood oil and Santalia fragrance to soften skin, soothe sore muscles and joints and relax the body and soul.

Use: dissolve 1 or 2 tablespoons of crystals with warm bath water. Also recommended as a foot bath.

INCI Ingredients: Chloride, Fusanus spicatus (Australian Sandalwood Oil), PEG-4 Laurate, Fragrance/Parfum, Daucus Carota (Carrot Oil).

NEW FORMULATION vs OLD:

Colouring agent, carrot oil at minimal level. PEG-4 Laurate (see note under Massage Oil) added to reduce 'bath ring'.
