Hot Rub Ointment

60mL

Amber glass jar
Phenolic screw cap

A penetrating, highly effective soothing balm of concentrated herbal extracts in an emu oil base to provide temporary relief from muscular and arthritic pain.

Use in conjunction with Pure & Natural Emu Oil is recommended.

Hot Rub Ointment is an effective combination of herbal compounds with proven therapeutic qualities, blended in an emu, vegetable and paraffin oil base which acts as a carrier to effectively penetrate muscles and joints to provide temporary relief from arthritic and muscular pain.

Use: apply a small amount to the affected area and rub gently until well absorbed. Additional Pure & Natural Emu Oil can be applied to extend the massage and Emu Oil's anti-inflammatory properties will help to enhance Hot Rub's action.

Active Ingredients: Methyl Salicylate 150mg/g, Melaleuca Oil 30mg/g, Menthol 30mg/g, Cajuput Oil 30mg/g, Camphor 30mg/g, Eucalyptus Oil 30mg/g, Peppermint Oil 30mg/g.

NEW FORMULATION vs OLD:

Nil change.
