Eye Care Cream

20mL

MDPE tube
Nozzle applicator
Screw cap
Boxed

The ultimate eye care treatment. Emu oil will carry moisture, vitamins and anti-oxidants deep into eye tissue to help reduce dark circles, puffiness, fine lines and signs associated with ageing. Enriched with selected ingredients to increase the skin's elasticity and radiance.

Vitamins A and E, Evening Primrose and Rosehip Oil and Hyaluronic Acid combine to restore moisture, increase the skin's elasticity and radiance.

Use: Apply sparingly to cleansed skin morning and evening, massaging gently around eye area, working from outer corner towards nose. Avoid direct contact with eyes.

Ingredients (INCI): Aqua, Olea Europaea (Olive Oil), Glycerin, Caprylic/Capric triglyceride, Stearic Acid, Dimethicone, Cetyl Alcohol, Triethanolamine, Carbomer, Butyrospermum Parkii (Shea Butter), Emu Oil, Polysorbate 20, Methylchloroisothiazolinone (and) Methylisothiazolinone, Disodium edta, Hyaluronic Acid, Ascorbyl Palmitate (Vit.C), Oenothera Biennis (Evening Primrose) Oil, rubus Villosa (Rose Hip) Oil, Retinyl Palmitate (Vit.A).

NEW FORMULATION vs OLD – this product is not similar to former products in either the Yellow and Gold or the White and Gold ranges:

Completely new formulation including new preservative system. Customers will love the hygienic and

efficient new tube with nozzle applicator.
