## Cleansing Lotion

HDPE PP Bottle with reducer Plug  
Screw Cap  
Boxed

A mild, pH balanced formula to cleanse away makeup (including most eye products) and the day's grime, help regulate oil secretions and promote a balanced skin profile. Suitable for most skin types.

**Use:** Massage gently into the face with finger tips. Rinse off with warm water or alternatively remove with a soft tissue. Avoid direct contact with the eyes. Ideally follow your cleansing regime with Mount Romance Sandalwood Toner and, depending on the time of day, either Calming Cream for night skin hydration or Facial Day Cream as a moisturiser and under makeup base.

**Ingredients** (INCI): Aqua Pura (Water), Caprylic/capric Triglyceride, Octyl Stearate, Glycerin, Stearic Acid, Glyceryl Stearate, Cetearyl Alcohol (and) Ceteareth 20 (and) Ceteareth 12 (and) Cetyl Palmitate, Triethanolamine, Aloe Vera, Carbomer, Tocopheryl Acetate (Vit.E), Citric Acid, Fusanus spicatus (Australian Sandalwood) Wood Oil, Fragrance, Methylchloro Isothiazolinone (and) Methyl Isothiazolinone.

**NEW FORMULATION vs OLD:**

Preservative change.

Very similar to previous cleansing milk but level of ingredients adjusted to suit most skin types rather than dry skin only.
